Income as a coach for a charitable club is tax-free up to 3,300 euros a year (section 3 no. 26 EStG), other part-time activities up to 960 euros (section 3 no. 26a EStG). Tax-free income does not count as pay for social insurance (section 1(1) sentence 1 no. 16 SvEV).

Mini-job 2026: earnings limit 603 euros a month, minimum wage 13.90 euros per hour. In the Excel version both values are on the Settings sheet and can be adjusted there.

Coach in a mini-job: spreading the allowance evenly over twelve months gives 275 euros a month on top of the earnings limit. The allowance applies per person and year, not per club.
